To whom it may concern

I would like to confirm that Gwyndaf Pritchard Roofing i.e. Mr G Pritchard, Dylan Rhys Jones, Kevin Jones, Phillip Evans and Marc Hughes are enrolled with this college on a Roofing & Tiling Level 2 (On-site assessment course).

They are all set to achieve the course by the middle of this year. Their work is of a very high standard and they have all passed the CSCS operative health and safety test and are all competent roofers.

Yours sincerely
